

# Photo Scavenger Hunt

(Does this mean the preteens are going to try to take pictures of buzzards and catfish? Noooooo, that's gross!!)

On August 25, the Preteens are having a photo scavenger hunt! We will be meeting at the SBC Family Life Center (FLC) at 4pm. We will go out to take pictures around Warner Robins. After completing our pictures we will meet at SBC, eat dinner, view each group's pictures and declare an official 2018 Scavenger Champion.

**When:** August 25, 2018 4:00-7:30pm

**Where:** Drop-off and Pick-up in Family Life Center

**What to Bring:** \$5 for dinner, and a creative brain

**Anything Important I need to know?** We will be travelling "off campus" and around Warner Robins looking for those perfect pictures. Each group will be going with adult leaders. We MUST have a completed and signed Activity Participation Form for each child. Parents are welcome to join us around 7:00pm for the photo viewing.

Rain Plan? If it is raining we will modify our hunt and stay in the church (and have to be a little more creative!) So come on – rain or shine.
