Beginning August 8th

+ The Sermon on the Mount

Facilitated by Debbie Vartenisian & Jan Morton
(Room: A108)

What does it mean to be a citizen of the kingdom of Heaven? Matthew's gospel opens with three chapters containing Jesus' longest recorded message – a sermon given to His disciples early in His ministry to articulate what the life of a Christ-follower would look like. It was a message intended to turn upside down every expectation His closest followers might have. Both practical and profound, the sermon asks of us the same questions it posed to its original hearers: How should a disciple relate to sin? To others? To the Law? How does a disciple think, speak, and act? What is the nature of true righteousness? Most of us have only encountered the Sermon on the Mount in fragments, but what if we navigated these three chapters as they were originally heard: as one cohesive, well-ordered message, intended to challenge us to think differently about repentance, salvation, and sanctification? Sunday Night MEN ONLY (5:00 PM)*Beginning August 5th***+ 33 - A Man and His Marriage***Facilitated by Jim Dutcher***(Room: A123)**

This study challenges men to go below the surface and covers important but often misunderstood details about marriage, including biblical foundation, servant leadership, friendship, threats, and sex. It concludes with specific, practical ideas that can help you bring new life to your marriage. Topics include: The Biblical Foundation for Marriage, Die to Live, Friendship in Marriage, Physical Intimacy, Obstacles to Biblical Oneness in Marriage, and Game Changers. *(Workbook \$12)*

Sunday Night WOMEN ONLY (5:00 PM)*Beginning August 5th***+ 1 Peter - A Living Hope in Christ***Facilitated by Patsy Randall***(Room: A108)**

Our inheritance through Christ is imperishable, undefiled, and unfading. In 1 Peter, a man of faith and flaws and eyewitness to the life of Christ challenges us to look beyond our current circumstances to a future inheritance. He shares his concerns on big picture issues for the early church, describes believers' true identity in Christ, and ultimately helps readers discover what it means to experience the Living Hope they have in Christ. Key themes of humility, submission, and identity in Christ guide the study of 1 Peter as participants are challenged to read the book in its entirety each week. *(Workbooks \$13.00)*

Sunday Night Co-Ed Classes (5:00 PM)*Beginning August 5th***+ Jesus Among Secular Gods***Facilitated by Matthew Gibbs***(Room: A116)**

Belief in the secular gods of atheism, scientism, pluralism, humanism, relativism, and hedonism continues to grow. Can you defend the claims of Christianity? This study challenges the popular and trending philosophies of today, skillfully pointing out the fallacies in their claims and presenting compelling evidence for absolute truth as found in Jesus and revealed in Scripture. You will learn how to better share your faith in a world of opposing worldviews and to articulate why you believe Jesus stands tall above all other gods. *(Discussion Guide \$10)*

+ Financial Peace University*Facilitated by Darrell Holder***(Room: C104)**

A new FPU class will begin on **Sunday, September 9th at 9:00 a.m.** This class will meet during the Life Group time and is open to anyone interested in learning to handle money God's way. Learner Kits are \$75.00 per person/couple (this is a \$25.00 discount from the regular price). Learn how to get out of debt, save money, and give like you have never been able to give before! TUES Morning WOMEN (9:30 AM)*Beginning August 7th***+ God of Creation***Facilitated by Miriam Musick***(Room: A108)**

The opening lines and chapters of Genesis teach us fundamental truths about God. We watch Him bring light after darkness, order after chaos, and rest after toil—all through the power of His Word. Over 10 sessions of verse-by-verse study, dive into the first 11 chapters of Genesis by following three critical stages of understanding: comprehension, interpretation, and application. Revisit familiar stories and historical figures, challenge your basic knowledge, and discover deeper meanings in the text. As God reveals Himself through Scripture, we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator. *(Workbook \$13)*

Wed Night CO-ED (6:15 PM)*Beginning August 8th***+ Foundations***Facilitated by Doug & Cindy Bradley***(Room: A116)**

Is your faith built upon the "rock" of God's Word, or the "sand" of man's opinion? The Foundations series will help you recognize today's attacks on the Word of God, beginning in Genesis. You will be alerted to the true cause of the crumbling of our culture's moral foundations, as well as the compromise in the church today. You will be equipped with answers to questions such as, Why should we trust the Bible? Are the creation days in Genesis literal days? Where did the "races" come from? Can we add millions of years to the Bible? Does science confirm the Bible's history? How can we evangelize effectively in today's culture? *(Workbook \$5)*
