EVALUATIONS

In order to create equal teams within our leagues, each player must be evaluated individually based on skill and speed. Through these evaluations, your family will be able to get a first hand glimpse of our facilities as well as learn much needed information about the upcoming season.

All Upward Soccer Evaluations will be held at SBC Victory Fields:

- K4 – 2nd Boys & Girls Tuesday July 9, 2019 anytime between 6:30 – 7:30 pm
- 3rd – 9th Boys & Girls Monday July 15, 2019 anytime between 6:30 – 7:30 pm

PRACTICES

Typically our Upward Soccer league begins with three to four weeks of one hour practices per week prior to games starting. With busy family schedules, this set up is ideal and we continue to hear that it works great for volunteers, participants and families. Practices will be held on Monday, Tuesday or Thursday and typically begins the same week students go back to school.

GAMES

Most games will be played on Saturdays with a few exceptions of weeknight games. Teams and coaches work within a given parameter for substituting players in and out of the game. The substitution system provides every child the opportunity to be in the starting lineup, requires no child to sit out back-to-back segments, and allows every child to play at least half of the game.

PLAYER'S KIT

Each player will receive a full uniform, water bottle and other program items. All players are required to supply their own shin guards & cleats.
