

Safety Guidelines

In our student ministry, we are committed to creating and maintaining safe and healthy environments for students to grow in their relationship with Christ.

As our church navigates the COVID-19 situation, here are some safety guidelines for our student ministry events and worship gatherings. These guidelines are consistent with overall church guidelines, including those for Victory Sports and Second Kids.

General Safety Actions

- Adhering to required federal, state, and local safety guidelines.
- Limiting capacity at venues and facilities for the safety of all students and adults.
- Increased frequency of sanitation of high touch areas such as bathrooms.
- Increased hand sanitizer locations located throughout the campus.
- Providing separate entrances and exits for high traffic areas on campus.
- Posted signs communicating all safety guidelines throughout campus.

Students and Adults

- **Please stay home** if you or family members are sick or not feeling well or if you have been around anyone showing COVID-19 related symptoms.
- **If you have been around someone with COVID-19, stay home away from others for 14 days (self-quarantine)** after your last contact with that person and monitor your health.
- Please follow CDC and local health department guidelines about self-quarantine procedures.
- Wash your hands often with soap and warm water for at least 20 seconds.
- If soap and warm water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with others.

- All guests & participants should space themselves as much as possible throughout their time on campus and maintain 6' safe distancing when possible.

Thank you for helping us provide a safe environment for students to grow in their relationship with Christ.
