PRACTICES

Our Baseball & Softball teams begin with three to four weeks of practice on a weekday (Monday, Tuesday or Thursday) & a Saturday practice prior to games starting. Practices will begin the week of March 15th. Parents are afforded the opportunity to request **ONE** practice night exclusion for your child. We do our best to honor every request, but please understand due to the size of our league, we are not able to honor every request.

GAMES

Most games will be held on Saturday with the exception of one weeknight game. Coaches work within a given parameter for substituting players in and out of the game. The substitution system provides every child the opportunity to be in the starting lineup, requires no child to sit out back-to-back innings and allows every child to play at least half of the game.

VOLUNTEERS

If you would like to join our team and serve as a coach, assistant, umpire or in concessions please complete our volunteer form and submit it to us. We would love to have you!
